

CHRISTMAS CHEER

It's that time of year again! Everywhere you look it is indeed beginning to look a lot like Christmas! The Bethany Academy Junior Class is busy getting ready for the season as well, as is tradition at Bethany. The Junior Class will be offering an assortment of Christmas treats to make the season lots of fun and just a little brighter for everyone.

Parents and students may purchase small gifts to be given to their own children, classmates, friends, teachers, and office staff. Do you have other children/students not currently attending Bethany? No problem! Just order extra gifts and they will be delivered to your Bethany student to be distributed at home. Gifts will be delivered directly to each classroom on Friday December 15th.

Completed order forms and payment must be placed in the Christmas box outside the main office or given directly to Kyra Anderle or Sam Hull. Cash or checks to "Bethany Academy" are both acceptable forms of payment. Elementary students may give completed orders directly to their classroom teachers. Secondary students may also give their completed orders to any of the Junior Class Officers; Kyra Anderle, Sam Hull, Hannah Hilgenberg, or Katy Miller.

**All orders are due no later than Tuesday, November
28th!**
